@united I just want to say I am flying United from Newark to Boston.
 @united can you help me find my missing galley cart that was on my flight?
 @united For my Grandmother's birthday, United greeted her with a special gift and a personal greeting from your flight attendants.
 @united I am hiring - Flight Operations Center! https://www.united.com/en-us/careers/
 @united That doesn't make sense. United and you're making it harder for me to fly.
 @united have all 747-400s been replaced by 787s yet? Flying ORL to BOS.
 @united I need you to get me a refund. Now and we've had to wait for 2 hours.
 @united Keep the flights on time. United is the best airline in the world.
 @united United > American Air.
 @united The Premier deserves to be the best.
 @AmericanAir. Only problem is that they don't have a good website.
 0@united I did, and as I thought, United is still the best airline.
 0@united I'm not booked on United.
 @united the fit TO ORD ORL to CVG I was charged \$100.
 @united You need to change my flight because I have been waiting for a seat for 2 hours.
 0gives?
 @united I need to talk with United. Please advise on how to do this.
 @united I know I can see my flight status at 010am. I don't understand why it says "Delayed".
 0@united any news?
 @united "where we tricked each other" by being the worst airline.
 @united why do I have to pay for a place?
 @united I'll be calling soon.
 0Please advise if the app is a good option.
 @united I've filled out the online form. Can you verify it was received?
 0@united message sent. Thank you.
 @united that's what I have to do to make up for the inconvenience.
 0Does it?
 @united THIS IS THE YEAR OF EUROPE!
<http://t.co/1EOtfhgAJ>
 @united @AmericanAir To VISIT EUROPE!
<http://t.co/e1EOtfhgAJ>
 @united please explain why my flight was delayed for 2 hours.
 \$1200, because a delay of over 2 hours is considered a "overnight".
 @united - watched the error before cancelling my flight.
 Before my 4hr flight...
 @united reFlight Booking on time for my meeting. A 2 hour delay is considered overnight.
 0myself on @etihad instead of @united.
 @united - who can eat at the airport?

 @united I am calling to complain about the food.
 Hung up and now you seem to be closed.
 @united fyi the site/app seems to have errors with almost 20% of the flights.
 @united sure... You've been tweeting about your obscenities.
 0@united followed and me.
 0@united I did not. That's why I'm not flying with you.
 @united Please consider the safety of passengers.
 0#onboard/deplane first (after arrival).
 @united i will never be flying with you again. All your checked bags are lost.
 0@united Thanks JT.
 @united Trying to locate my luggage at Heathrow Airport UA93.
 0PLEASE help
 0@united Thank you! Off to the airport.
 @united The flight turned around. Never to fly United again.
